🎓 EDUCATION

Henan University (HENU), Kaifeng, China

Sep. 2023 – Present

B.S. Mathematics and Applied Mathematics (Mingde Honors Program), expected 2027

- **GPA:** 3.79/4.0 (**Rank:** 2/21)
- **Core Courses:** Advanced Algebra I & II (100, 96), Mathematical Analysis I, II & III (96, 96, 100), Probability Theory (100), Real Analysis (100), Functional Analysis (97)
- **English Proficiency:** CET-4 (499), CET-6 (468); Strong academic reading and translation skills
- **Computer Skills:** NCRE Level 2 (WPS Office), Level 3 (Network Technology), Level 4 (Network Engineer)

🔬 RESEARCH EXPERIENCE

Algorithmic Number Theory for Cryptography

2024 – 2025

Brief introduction: Participated in a research project on algorithmic number theory for cryptography.

- Studied *Nine Lectures on Algorithmic Number Theory* by Prof. Xu Guangwu (Shandong University)
- Completed a 36-page proof of heuristic conjectures from the textbook
- Authored the paper “Locating a shortest vector in certain 2-dimensional lattices”, available on arXiv: <https://arxiv.org/pdf/2606.00705>

🏆 COMPETITIONS & AWARDS

Chinese Mathematics Competition (CMC)

- *17th CMC*: National Second Prize (2025)
- *16th CMC*: National Third Prize (2024)
- *15th CMC*: Provincial Second Prize (2023)

Mathematical Modeling Competition

- *MCM/ICM 2026 (USA)*: International Second Prize (Meritorious Winner) – Problem A; Authored “Cracking the Drain Code”
- *CUMCM 2025 (China)*: Provincial Second Prize – Problem C; Authored “NIPT Timing Selection Based on Cox-GAMM Model”
- *CUMCM 2024 (China)*: Provincial Second Prize – Problem C; Authored “Crop Planting Strategy Based on Dynamic Optimization”

☆ HONORS & ACTIVITIES

- **Scholarships:** National Encouragement Scholarship (2023–2024); Henan University Scholarship (2024–2025)
- **Merit Student:** Henan University Merit Student (2023–2024, 2024–2025)
- **Sports:** 1st Place in Men’s 1000m, Fall Sports Meeting, School of Math & Statistics, HENU (2023); 3rd Place in Men’s 400m (2024)
